

What is a School Parent Compact?

A School -Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade -level standards. Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly developed the parents, students, and staff at **Colonial High School** developed this School -Parent Compact for Achievement. Meetings are held each year to review the compact and make changes based on student's needs
